# ADOPTED

BOARD OF COMMISSIONERS  
HOUSING AUTHORITY

2-H      MARCH 16, 2010

SACHIN A. HAMAI  
EXECUTIVE OFFICER

Dear Supervisors:

## **CONTRACT FOR VACANT PROPERTY SECURITY SYSTEM AT VARIOUS HOUSING DEVELOPMENTS**

### **SUBJECT**

This letter recommends approval of a sole source contract with Vacant Property Security, Inc. to continue the lease of a modular steel vacant unit security system for the Ujima Village housing development located at 941 E. 126th Street in unincorporated Willowbrook, and various other Housing Authority housing developments as needed.

### **IT IS RECOMMENDED THAT YOUR BOARD ACTING AS THE GOVERNING BODY OF THE HOUSING AUTHORITY**

1. Approve and authorize the Executive Director to execute and if necessary terminate a one-year contract with Vacant Property Security, Inc. to continue the lease of a vacant unit security system for the Ujima Village housing development and other housing developments as needed, following approval as to from by County Counsel, using a maximum of \$475,820 in Community Development Commission General Funds and \$5,000 in Conventional Public Housing Operating Funds included in the Housing Authority's approved Fiscal Year 2009-10 budget for the this purpose.
2. Authorize the Executive Director to execute contract amendments, following approval as to form by County Counsel, to extend the contract term for up to two additional years, in one-year increments, at the same annual compensation of \$480,820, using funds to be requested through the annual budget process.
3. Find that approval of the contract is exempt from the California Environmental Quality Act (CEQA) because the activities will not have the potential for causing a significant effect on the environment.

## **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

This contract will retain the services of Vacant Property Security, Inc. (VPS) to continue providing a modular steel vacant unit security system for the Ujima Village housing development and other housing developments located throughout the County of Los Angeles.

The standard method for securing vacant units is to install plywood into the frame of the windows. This method has been ineffective, as vandals have been able to break into and destroy the housing units. The VPS system is comprised of modular sized perforated steel doors and window screens. The security entrance door is fitted over existing door openings and uses a key or keyless digital system, making unauthorized entry virtually impossible. The modular steel window screens are affixed to the buildings at the window openings, covering the entire window by an interlocking cable system. The rented system is installed by VPS trained personnel.

Since late 2006, this VPS system has been utilized at the Ujima Village housing development to secure units as they became vacant. Since then, nearly all of the 300 units at the housing development have been secured by the VPS system. There have been no break-ins or any other type of vandalism of vacant units at the Ujima Village housing development since the Housing Authority began using the VPS system.

In addition to Ujima Village, the VPS system has been used successfully at several Housing Authority housing developments, including Nueva Maravilla and the South Scattered Sites. The VPS system has been used to secure temporarily vacant units, units that are undergoing substantial rehabilitation, and in response to acts of vandalism. Additionally, the VPS system has been used in cooperation with covert investigations of the Los Angeles Sheriff's Department. With the VPS system in place, the overall loss due to vandalism for the Housing Authority has been significantly reduced.

## **FISCAL IMPACT/FINANCING**

There is no impact on the County general fund. The maximum amount for all three years of the contract, if fully extended, will not exceed \$1,442,460.

For the first year of services under the Contract, the Housing Authority will use \$475,820 in Community Development Commission General Funds and \$5,000 in Conventional Public Housing Operating Funds allocated by the U.S. Department of Housing and Urban Development (HUD) and included in the Housing Authority's Fiscal Year 2009-10 budget.

After the first year, the Housing Authority may extend the contract on an as-needed basis for an additional two years in one-year increments, at the \$480,820 annual compensation amount, contingent upon the availability of funds. Funds for year two and three of the Contract, if extended, will be requested through the Housing Authority's annual budget approval process.

## **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The services are being federally funded, and are not subject to the requirements of the Greater Avenues for Independence (GAIN) Program or the General Relief Opportunity for Work (GROW) Program implemented by the County of Los Angeles. Instead, VPS will comply with Section 3 of the

Housing and Community Development Act of 1968, as amended, which requires that employment and other economic opportunities generated by certain HUD assistance be directed to low- and very low-income persons, particularly to persons who are recipients of HUD housing assistance.

### **ENVIRONMENTAL DOCUMENTATION**

The project is excluded from the provisions of the National Policy Act pursuant to 24 Code of Federal Regulations Part 58, Section 58.35 (b)(3), because it involves maintenance activities that will not alter existing environmental conditions. It is also exempt from the provisions of CEQA pursuant to State CEQA Guideline 15301 because it involves negligible or no expansion of use beyond what currently exists and does not have the potential for causing significant effect on the environment.

### **CONTRACTING PROCESS**

In 2006, several units at Ujima Village were vandalized by non-residents living in vacant units throughout the development. In response, the Housing Authority installed a rented modular perforated steel screen system from VPS on vacant units, on a limited scale within the Executive Director's contract authority. The pilot program drastically reduced crime within the development by completely preventing unauthorized access to vacant units.

On August 9, 2006, a Request for Information (RFI) process was initiated to identify qualified vendors to provide a similar system for securing vacant units on a wider scale. VPS was the only vendor to respond to the RFI, and on March 20, 2007, your Board awarded a three-year sole source contract to VPS.

On January 26, 2010, another RFI was initiated to identify qualified vendors to provide a vacant unit security system similar to that provided by VPS. Notices were mailed to 49 firms identified from the Housing Authority's vendors list. An announcement appeared on the County's WebVen website. A copy of the RFI was also posted on the Housing Authority's website. As a result of the outreach, on February 8, 2010, VPS was the only vendor who responded to the RFI. Housing Authority staff has determined that VPS continues to be the sole provider for this type of product. Therefore, VPS is being recommended as a sole source for the contract award. The Summary of Outreach Activities is provided in Attachment A.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The proposed contract will provide necessary security for Ujima Village and other housing developments located throughout the County.

## SOLE SOURCE CHECKLIST

Check (✓)	JUSTIFICATION FOR SOLE SOURCE CONTRACTS
	<i>Identify applicable justification and provide documentation for each checked item.</i>
✓	➤ Only one bona fide source for the service exists; performance and price competition are not available.
	➤ Quick action is required (emergency situation).
	➤ Proposals have been solicited but no satisfactory proposals were received.
	➤ Additional services are needed to complete an ongoing task and it would be prohibitively costly in time and money to seek a new service provider.
	➤ Maintenance service agreements exist on equipment which must be serviced by the authorized manufacturer's service representatives.
	➤ It is more cost-effective to obtain services by exercising an option under an existing contract.
	➤ It is in the best interest of the County, e.g., administrative cost savings, excessive learning curve for a new service provider, etc.
	➤ Other reason. Please explain:

Shareholders, partners, members, or other equity holders of the Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. the covenants, Contracts, or stipulations of this Contract, the Housing Authority shall thereupon have the right to terminate this Contract by giving written notice to the Contractor of such termination and specifying the effective date thereof, at least five days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs and reports prepared by the Contractor under this Contract shall, at the option of the Housing Authority become its property and the Contractor shall be entitled to receive just and equitable compensation for any work satisfactorily completed.

Without limiting the rights and remedies available to Housing Authority's under any other provision of this contract, failure of Contractor to cure such default within 90 calendar days of written notice shall be grounds upon which Housing Authority may terminate this contract pursuant to Paragraph 14 - "TERMINATION FOR CAUSE" and pursue debarment of Contractor, pursuant to Housing Authority Policy.

The Contractor shall comply with the Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, which require that no person in the United States

The Contractor shall comply with Executive Order 11246 and 11375, Equal Opportunity in Employment, which requires that during the performance of this Contract, the Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated fairly during employment, without regard to their race, color, religion, sex or national origin. In the event of Contractor's noncompliance with the non-discrimination clauses of this Contract or with any of such rules, regulations or orders, this Contract may be canceled, terminated or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in the Executive Orders and such other sanctions may be imposed and remedies invoked as provided in the Executive Order or by rule, regulation or order of the Secretary of Labor, or as otherwise provided by law.

The Contractor will include the provisions of these paragraphs in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of the Executive Order No. 11246 of September 24, 1965, that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such actions with respect to any subcontract or purchase order as the Housing Authority may direct as a means of enforcing such provisions including sanctions for noncompliance, provided however, that in the event the Contractor becomes involved in, or is threatened with litigation by a subcontractor or vendor as a result of such direction by the Housing Authority, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

**27. SECTION 3 OF THE HOUSING AND URBAN DEVELOPMENT ACT OF 1968, AS AMENDED**

- A. The work to be performed under this Contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low-and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
- B. The parties to this Contract agree to comply with HUD's regulations in 24 CFR Part 135, which implement Section 3. As evidenced by their execution of this Contract, the parties to this Contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.
- C. The Contractor agrees to send to each labor organization or representative of workers with which the Contractor has a collective bargaining Contract or other understanding, if any, a notice advising the labor organization or workers' representative of the Contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
- D. The Contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR Part 135. The Contractor will not subcontract with any

subcontractor where the Contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.

- E. The Contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the Contractor is selected but before the Contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the Contractor's obligations under 24 CFR Part 135.
- F. Noncompliance with HUD's regulations in 24 CFR Part 135 may result in sanctions, termination of this Contract for default, and debarment or suspension from future HUD assisted contracts.
- G. With respect to work performed in connection with Section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this Contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. - E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Housing Authority shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Commissioners.
- F. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment Hearing.

The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Commissioners. The Board of Commissioners shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.

- I. These terms shall also apply to subcontractors and subconsultants of County, Housing Authority, or Commission contractors, consultants, vendors and agencies.

### **32. COMPLIANCE WITH JURY SERVICE PROGRAM**

- A. Unless the Contractor has demonstrated to the Housing Authority satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program or that Contractor qualifies for an exception to the Jury Service Program, Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
- B. For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has a contract with the Housing Authority, Commission, or County or a subcontract with a Housing Authority, Commission, or County contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more of said contracts or subcontracts. "Employee" means any California resident who is a full time employee of Contractor. "Full time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the Housing Authority, Commission, or County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the Housing Authority under the Contract, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Contract and a copy of the Jury Service Program shall be attached to the Contract.
- C. If the Contractor is not required to comply with the Jury Service Program when the Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify the Housing Authority if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if

Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The Housing Authority may also require, at any time during the Contract and at its sole discretion, that Contractor demonstrate to the Housing Authority's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

- D. The Contractor's violation of this Section of the contract may constitute a material breach of the Contract. In the event of such material breach, the Housing Authority may, in its sole discretion, terminate the Contract and/or bar Contractor from the award of future Housing Authority, Commission, or County contracts for a period of time consistent with the seriousness of the breach.

### **33. ACCESS AND RETENTION OF RECORDS**

The Contractor shall provide access to the Housing Authority, the Federal Grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers and records of the Contractor which are directly pertinent to this Contract for the purpose of making audits, examinations, excerpts and transcriptions.

The Contractor is required to retain the aforementioned records for a period of five years after the Housing Authority pays final payment and other pending matters are closed under this Contract.

### **34. CONFLICT OF INTEREST**

The Contractor represents, warrants and agrees that to the best of its knowledge, it does not presently have, nor will it acquire during the term of this Contract, any interest direct or indirect, by contract, employment or otherwise, or as a partner, joint venture or shareholder (other than as a shareholder holding a one (1%) percent or less interest in publicly traded companies) or affiliate with any business or business entity that has entered into any contract, subcontract or arrangement with the Housing Authority. Upon execution of this Contract and during its term, as appropriate, the Contractor shall, disclose in writing to the Housing Authority any other contract or employment during the term of this Contract by any other persons, business or corporation in which employment will or may likely develop a conflict of interest between the Housing Authority's interest and the interests of the third parties.

### **35. SEVERABILITY**

In the event that any provision herein is held to be invalid, void, or illegal by any court of competent jurisdiction, the same shall be deemed severable from the remainder of this Agreement and shall in no way affect, impair or invalidate any other provision contained herein. If any such provision shall be deemed invalid due

to its scope or breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.

**36. INTERPRETATION**

No provision of this Contract is to be interpreted for or against either party because that party or that party's legal representative drafted such provision, but this Contract is to be construed as if drafted by both parties hereto.

**37. WAIVER**

No breach of any provision hereof can be waived unless in writing. Waiver of any one breach of any provision shall not be deemed to be a waiver of any breach of the same or any other provision hereof.

**38. PATENT RIGHTS**

The Housing Authority will hold all the patent rights with respect to any discovery or invention, which arises or is developed in the course of, or under this Contract.

**39. COPYRIGHT**

**40. NOTICES**

The Housing Authority shall provide the Contractor with notice of any injury or damage arising from or connected with services rendered pursuant to this Contract to the extent that Housing Authority has actual knowledge of such injury or damage. Housing Authority shall provide such notice within ten (10) days of receiving actual knowledge of such injury or damage.

**41. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW**

The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. The Department of Children and Family Services of the County of Los Angeles will supply the Contractor with the poster to be used.

**43. CONTRACTOR'S CHARITABLE CONTRIBUTIONS COMPLIANCE**

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the Charitable Contributions Certification as included in *Attachment C – Required Contract Forms*, the Housing Authority seeks to ensure that all Housing Authority contractors that receive or raise charitable contributions comply with California law in order to protect the Housing Authority and its taxpayers. A Contractor that receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings, or both.

**44. CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM**

The Contractor acknowledges that the Housing Authority has established a goal of ensuring that all individuals and businesses that benefit financially from the Housing Authority through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers. **45. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM**

Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph "CONTRACTOR'S WARRANTY OF COMPLIANCE WITH County's DEFAULTED PROPERTY TAX REDUCTION PROGRAM" shall constitute default under this Contract. Without limiting the rights and remedies available to the Housing Authority under any other provision of this Contract, failure of the Contractor to cure such default within 10 days of notice shall be grounds upon which the Housing Authority may terminate this contract and/or pursue debarment of the Contractor, pursuant to County's Defaulted Property Tax Reduction Program pursuant to Los Angeles County Code, Chapter 2.206.

## **REQUIRED CONTRACT NOTICES**

## **BACKGROUND AND RESOURCES: CALIFORNIA CHARITIES REGULATION**

There is a keen public interest in preventing misuse of charitable contributions. California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates those raising and receiving charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) tightened Charitable Purposes Act requirements for charitable organization administration and fundraising.

The Charitable Purposes Act rules cover California public benefit corporations, unincorporated associations, and trustee entities. They may include similar foreign corporations doing business or holding property in California. Generally, an organization is subject to the registration and reporting requirements of the Charitable Purposes Act if it is a California nonprofit public benefit corporation or is tax exempt under Internal Revenue Code § 501(c)(3), and not exempt from reporting under Government Code § 12583. Most educational institutions, hospitals, cemeteries, and religious organizations are exempt from Supervision of Trustees Act requirements.

Key new Charitable Purposes Act requirements affect executive compensation, fundraising practices and documentation. Charities with over \$2 million of revenues (excluding grants and service-contract funds a governmental entity requires to be accounted for) have new audit requirements. Charities required to have audits must also establish an audit committee whose members have no material financial interest in any entity doing business with the charity.

Organizations or persons that receive or raise charitable contributions are likely to be subject to the Charitable Purposes Act. A bidder/proposer on Commission and/or Housing Authority contracts must determine if it is subject to the Charitable Purposes Act and certify either that:

- It is not presently subject to the Act, but will comply if later activities make it subject, or,
- If subject, it is currently in compliance.

### **RESOURCES**

The following resource references are offered to assist bidders/proposers who engage in charitable contributions activities, however, each bidder/proposer is responsible to research and determine its own legal obligations and properly complete the Charitable Contributions Certification form.

## Notice 1015

(Rev. December 2008)

### Have You Told Your Employees About the Earned Income Credit (EIC)?

---

#### What Is the EIC?

The EIC is a refundable tax credit for certain workers.

#### Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

**Note.** You are encouraged to notify each employee whose wages for 2008 are less than \$41,646 that he or she may be eligible for the EIC.

#### How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 9, 2009.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from the IRS website at [www.irs.gov](http://www.irs.gov) or by calling 1-800-829-3676.

#### How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2008 instructions for Form 1040, 1040A, 1040EZ, or Pub. 596, Earned Income Credit (EIC).

#### How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2008 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2008 and owes no tax but is eligible for a credit of \$825, he or she must file a 2008 tax return to get the \$825 refund.

#### How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2009 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15 (Circular E), Employer's Tax Guide.

### **What is the Safely Surrendered Baby Law?**

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

### **How does it work?**

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

### **What if a parent wants the baby back?**

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

### **Can only a parent bring in the baby?**

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

### **Does the parent have to call before bringing in the baby?**

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

### **Does a parent have to tell anything to the people taking the baby?**

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

### **What happens to the baby?**

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

### **What happens to the parent?**

Once the parent(s) has safely turned over the baby, they are free to go.

### **Why is California doing this?**

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

### **A baby's story**

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

**Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.**

### **¿Qué es la Ley de Entrega de Bebés Sin Peligro?**

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

### **¿Cómo funciona?**

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre recibirá un brazaletes igual.

### **¿Qué pasa si el padre/madre desea recuperar a su bebé?**

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

### **¿Sólo los padres podrán llevar al recién nacido?**

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

### **¿Los padres deben llamar antes de llevar al bebé?**

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

### **¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?**

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

### **¿Qué ocurrirá con el bebé?**

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

### **¿Qué pasará con el padre/madre?**

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

### **¿Por qué California hace esto?**

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

### **Historia de un bebé**

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una  
oportunidad de tener una vida saludable.  
Si alguien que usted conoce está pensando  
en abandonar a un recién nacido, infórmele  
qué otras opciones tiene.**

***Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.***
